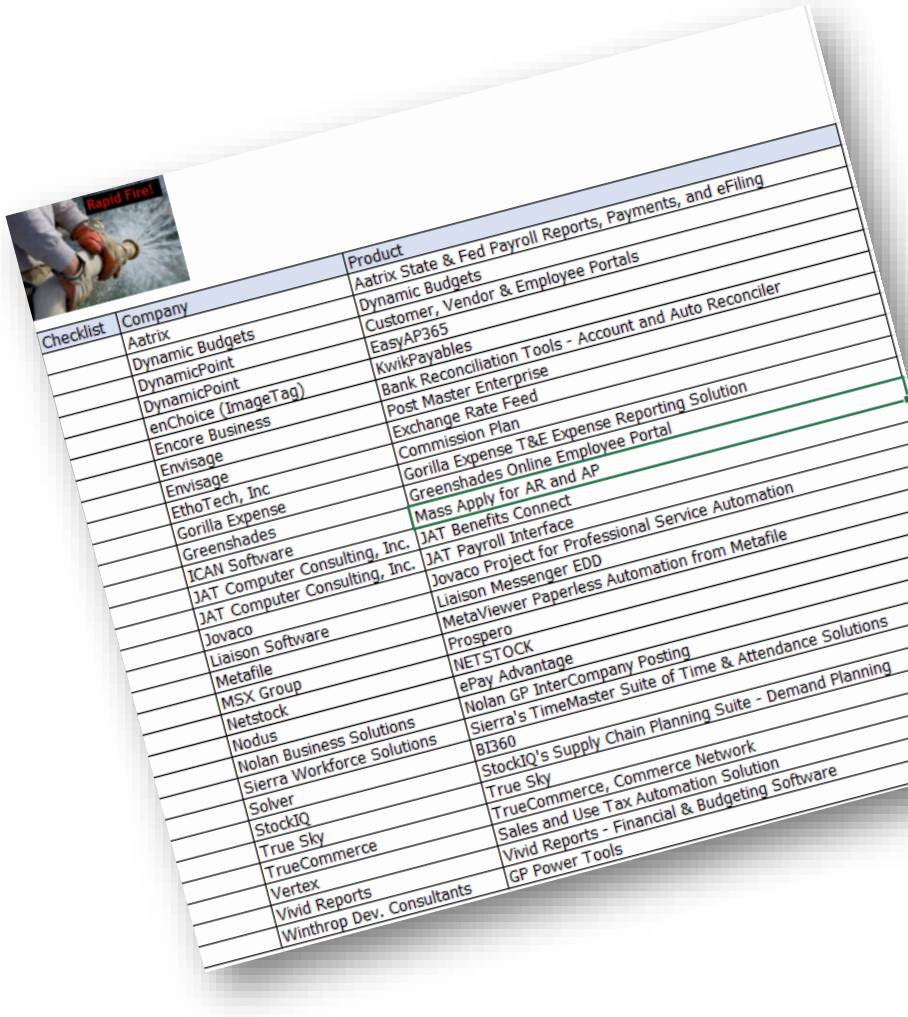
Thank you

1. Follow up Survey: https://tinyurl.com/y4bjvdsu
2. “ISV Check List” or survey emailed to you.
3. Place a ✓ by the names of interest
4. A follow up survey will follow, complete, we’ll share the Slides and Recording



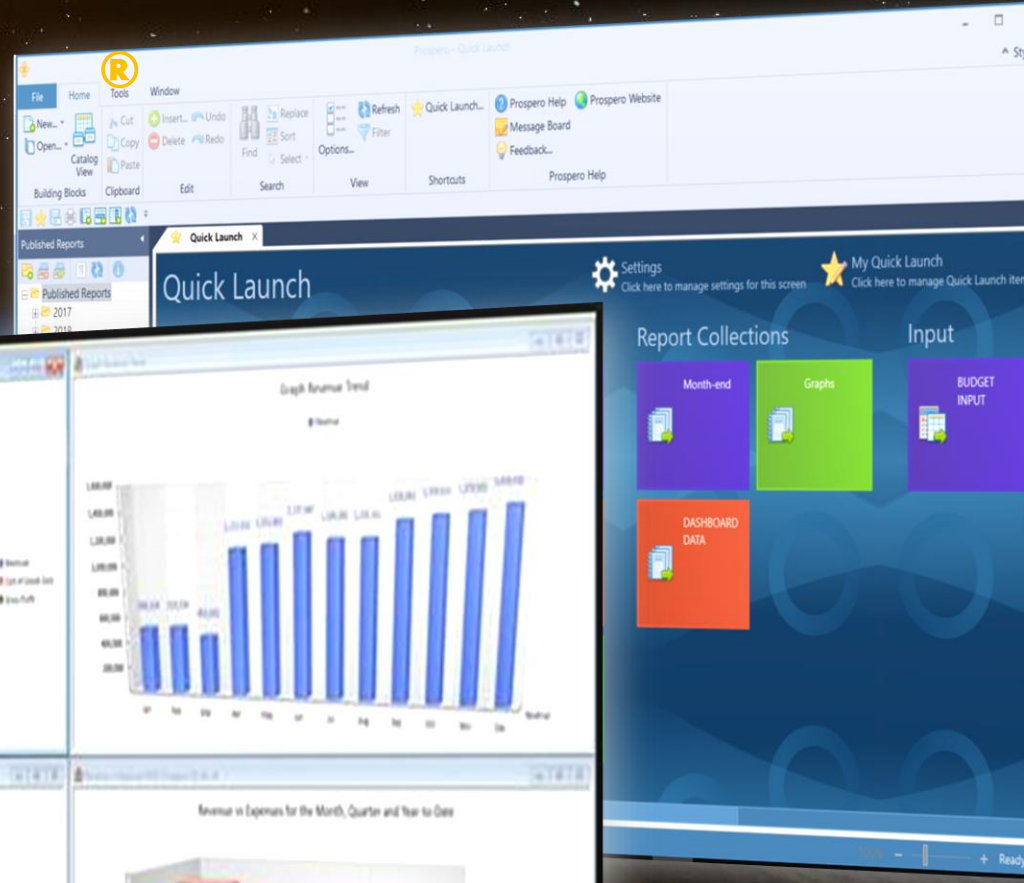
Purpose:

To educate you about Dynamics GP ISV solutions.

PROSPERO

A New Day for Financial Reporting & Budgeting

- Auto-Expand Summary Rows
- Add Customized Segments/Dimensions
- Change Drill-down Order on the Fly
- Toggle between Reports and Charts
- Budget HR, Capital, Revenue and Line Item Details
- Secure all Segments by User or Group



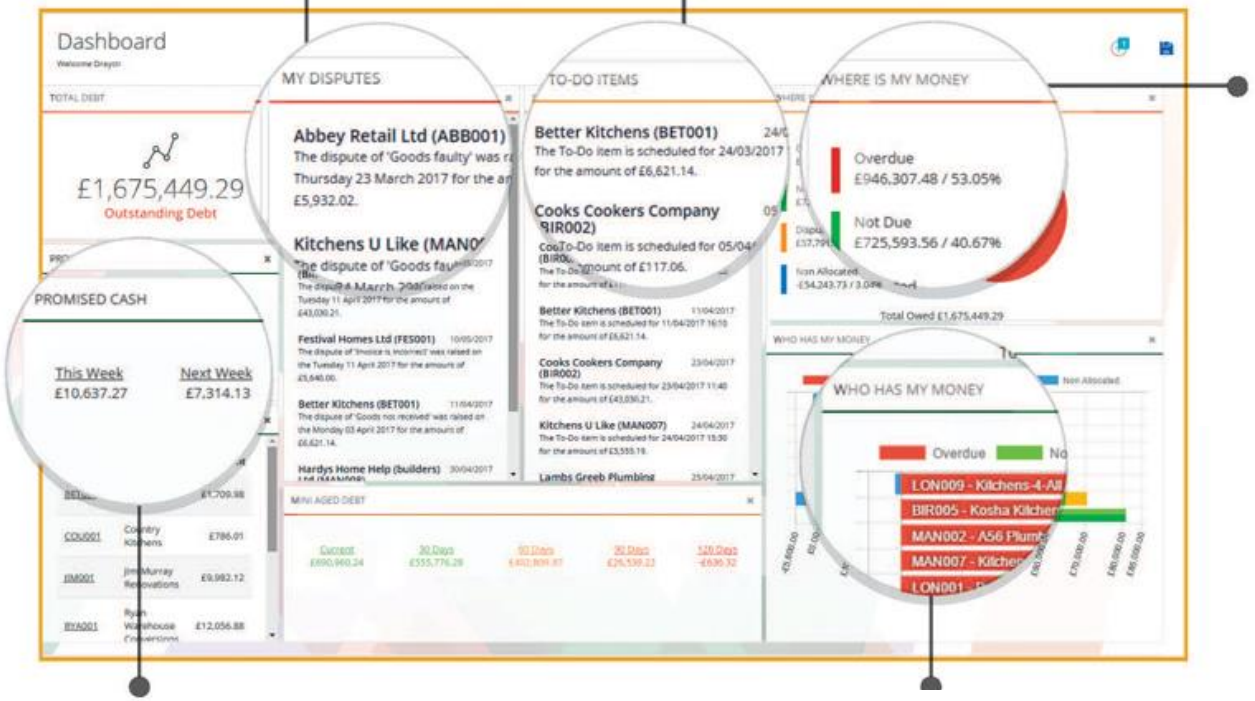
MSXGROUP

The Credit Hound for Dynamics dashboard

My disputes

My To-Do items

Where is my money



Promised cash

Who has my money

Automated workflows & collections paths

Each Customer group can have a tailored collection path;

- Phone Calls
- Emails
- Account on Hold
- Set Group/Category

Example company:

- **$5 Million** annual turnover
- **$800,000** outstanding debt
- **58** DSO (days sales outstanding)
- **3%** bad debt written off
- **150** chasing letters sent per year

Within 3 months of using Credit Hound:

- **39 days** DSO
- **2%** bad debt written off
- **$260,000** annual cash flow benefit
- **$18,000** annual savings on interest
- **$50,000** annual savings on written off bad debt
- **$2,000** annual savings on postage

Total annual saving of $70,000

Rockton Pricing Management

Automated Dynamic Pricing

Simply establish any pricing scenario one time and RPM does all the calculations and hard work behind the scenes.

Simplified Price Lists

Create, organize, filter and search all your price lists super fast.

Date Driven Pricing

Assign valid date ranges to your price lists in RPM and you will automatically get the right one - on *your* schedule.

Rebates, Commission, Offsets, and Other Adjustments

Track special pricing adjustments and make sure someone gets paid for it downstream.

Commission Plan for Dynamics GP

1. Does your company spend time updating legacy commission systems?
2. Is it a chore to track, calculate and pay commissions?
3. Are you concerned about accuracy?
4. Does the CFO want better commission reporting?
5. Do you simply want better internal controls over your commission data?
